Notes

Please bring a cart to easily transport your team's Kit of Parts. • An adult is REQUIRED to pick up the Kit of Parts; please remember to bring identification. The adult does not have to be the primary or alternate FRC contact. • From your FIRST TIMS website, please print and bring your team roster. This will ensure the integrity of the kit distribution and the people picking up your kit are on the team. Also, this printed out roster shows if you have any outstanding electronic Consent and Release Forms so you don't have to bring paper to your regional or district event. •You **MAY NOT** line up for kit distribution until after the broadcast.
